

Philippine Senate

Sen. Francis "Tol" N. Tolentino

29 October 2021

HONORABLE RENATO Y. GUSTILO

Mayor

City of San Carlos

Dear **Mayor Gustilo**:

Recognizing your valuable contribution in local development and good governance, I nominate you to the **Senator Tolentino Adaptive Governance and Innovation for Local Executives (AGILE) Program**.

Upon my initiative, the AGILE Program was conceptualized in close coordination with the Development Academy of the Philippines (DAP) and other partner international institutions like the National University of Singapore – Lee Kuan Yew School of Public Policy, Austrian Institute of Technology and Demos Helsinki.

The AGILE Program is composed of six (6) courses specially designed to provide blazing leaders like you with an opportunity to recalibrate your knowledge, leadership, and governance approaches in the following critical areas: fiscal management, local economic recovery, environmental management, policy and decision-making, and futures thinking.

I trust that you will take this rare opportunity to participate in the course offerings most relevant to your learning and development needs especially with the impending transition to full devolution, following the Mandanas Ruling.

For more information, kindly refer to the attached detailed invitation and program materials. Your office may get in touch with the DAP, through assigned Project Manager, Ms. Diana Isabel Rosapapan at 09276416010 or via email at cfg-lgdo@dap.edu.ph. Co-Program Manager from this Office is Atty. Kathleen A. Mativo.

Thank you and warm regards.

Very truly yours,

A handwritten signature in black ink, appearing to read "Francis Tol N. Tolentino", with a horizontal line above it.

FRANCIS "TOL" N. TOLENTINO

Chairman, Senate Committee on Local Government
